

TUSD NETWORK

WHITEPAPER

www.tusd.in

New token TUSD Network Decentralized NFT platform

T stands for Trust USD network. We have a function to burn tokens on every transaction so that the token becomes scarce.

LISTING PRICE: 1 TUSD = 0.8USD

Listing on Pancakeswap 01. 01. 2022

About

WHAT IS TUSD NETWORK

Our main directions of the TUSD Network token

Decentralized Platform

With the launch of the airdrop, the Crypton Network ecosystem is gathering an army of fans to launch its own NFT

Decentralized platform in the future, where the main currency will be the TUSD token.

Burning tokens

After the listing of the token, the burning function is launched for each transaction, thus making the token in short supply.

Naturally, this will affect the price growth for 1 TUSD token.

Mobile crypto wallet

In addition, the TUSD network is launching its own cryptocurrency wallet for storing and exchanging TUSD tokens for other tokens that work through the Smart Chain network.

HOW TO BUY A TUSD TOKEN

Download Trust Wallet

Simply visit trustwallet.com and download the application. The app is secure and widely used in the de-fi market. (Remember to never share your seed phrase).

Load your wallet with \$BNB

Purchase BEP20 BNB to fund your Trust Wallet or Meta Mask wallet with.

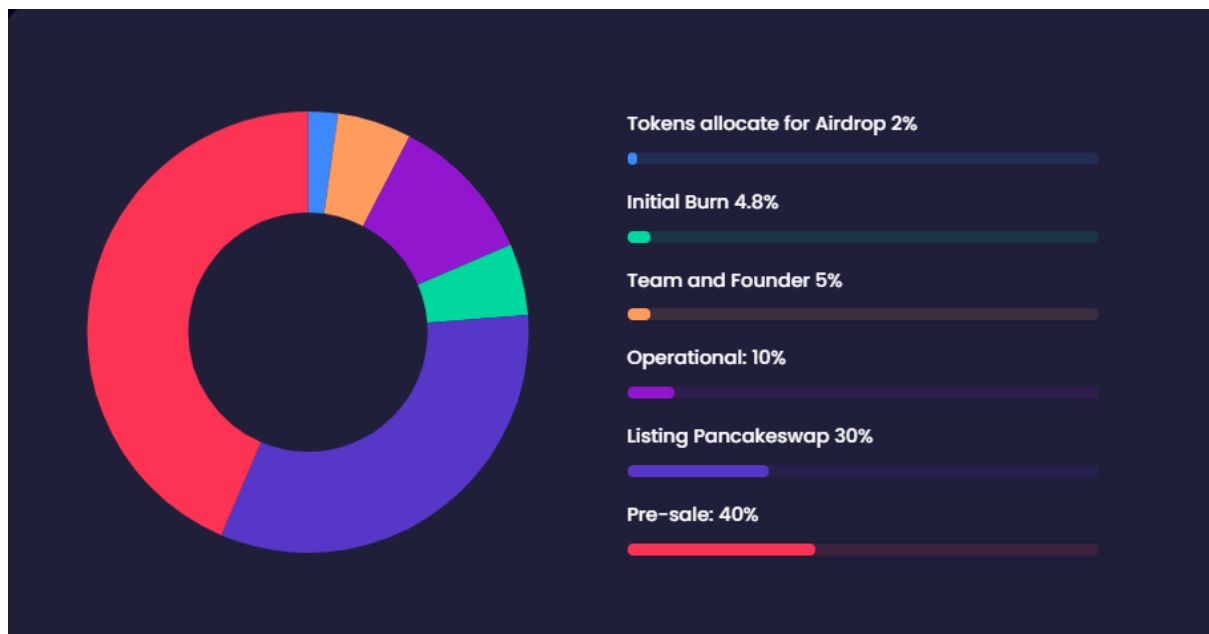

Open in Trust Wallet

Copy the airdrop page, go to the trust wallet in the browser section, paste the link into the browser change the network to binance Smart Chan, pay the minimum transaction fee, and get 200 free TUSD tokens.

Transaction timeout

The time of transfer of free tokens can take from 5 to 30 seconds depending on the tension of the network

Pre-sale 2000 TUSD = 0.01 BNB
